

I am  
going to  
Clunes  
Kinder in  
2023.

I am going to  
Kinder! My Kinder is  
called Clunes and  
District Preschool.

When I arrive at Kinder, I will wash my hands and put my bag away. I will have a locker to put my bag in.

This is my  
teacher.  
Her  
name is  
Charissa.  
She will  
teach my  
class and  
take care  
of me at  
Kinder.

---

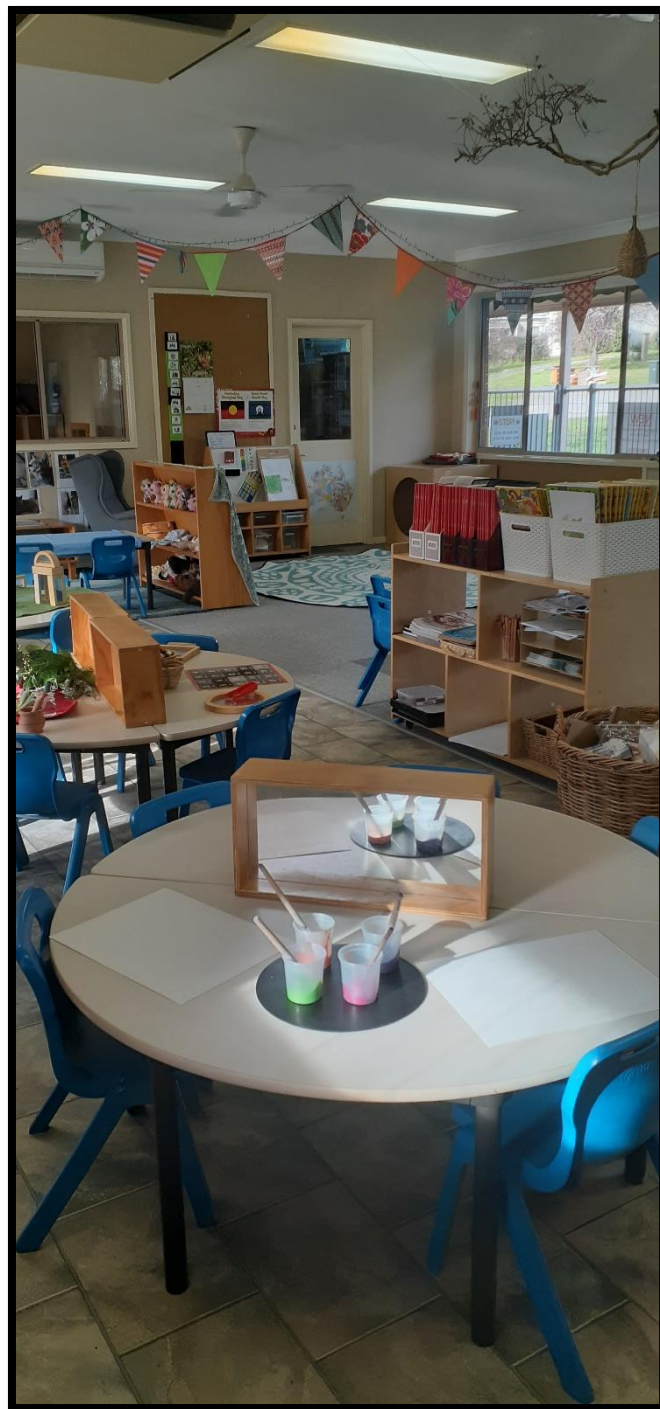

This is Lee.  
Lee will teach  
and take care  
of me at  
Kinder.

This is my  
classroom.

---

This is where  
we sit for  
group time.

---

These are the tables where we do our work. We have lots of puzzles and games on the shelves to select from.

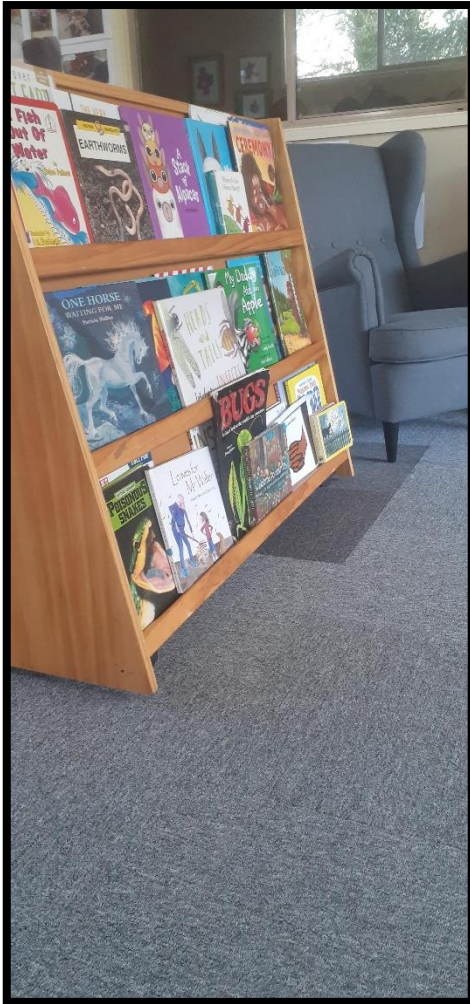

This is the Block Construction area where we build. I can choose anything from the shelves to construct with.

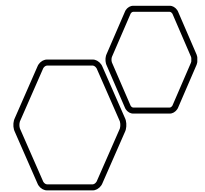

We have a reading corner where we can sit quietly and look at books. I can rest here if I am feeling tired, or in the Calm Cube.

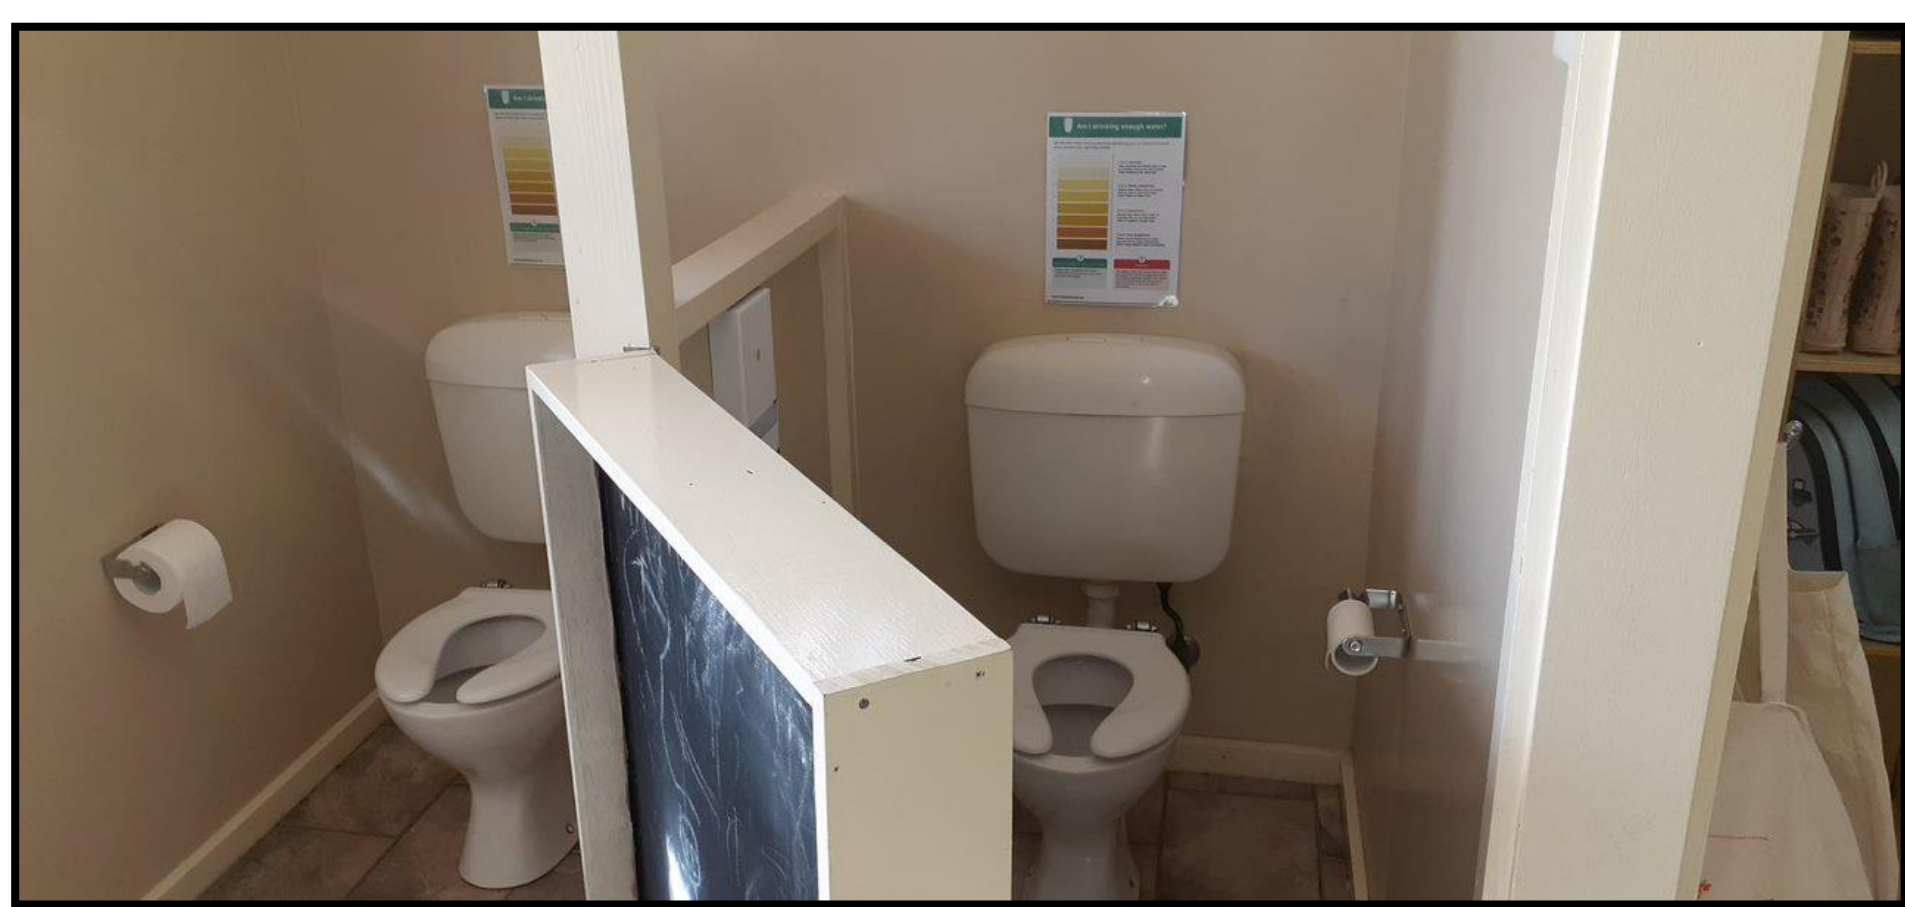

---

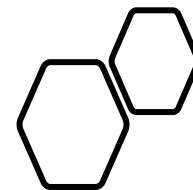

This is the art and craft area. I can choose anything from the shelves to create with.

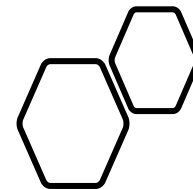

These are the toilets.

This is where I will wash my hands.

This is our  
outdoor  
learning  
area.

At the end of  
the day I need  
to hold my  
grown-up's  
hand when I  
am leaving  
Kinder.  
Carparks are  
busy places.

Charissa  
and Lee  
are  
excited  
that I will  
be at  
Clunes  
Kinder in  
2023!
