POLICY STATEMENT

1. VALUES

Eureka Community Kindergarten Association Inc. (ECKA) is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for enrolment through the provision of information
- maintaining confidentiality in relation to all information provided for enrolment
- ensuring all families are welcomed and receive an effective orientation into the service.

2. SCOPE

This policy applies to the Approved Provider, Persons with Management and Control Nominated Supervisor, early childhood teachers, Persons in Day to Day Charge, educators, staff and parents/guardians who wish to enrol or have already enrolled their child at a Eureka Community Kindergarten Association Inc. (ECKA) Education and Care Service.

3. BACKGROUND AND LEGISLATION

Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2)(k)).

It is intended that all eligible children (refer to *Definitions*) will have access to one year of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, a priority system for access must be determined by the Approved Provider in order to allocate the available places. The criteria used to determine the allocation of places will vary from service to service, but is generally based on a service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2012*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Criteria for access and inclusion are outlined in *The Kindergarten Guide* (refer to *Sources*). Services participating in central enrolment schemes are required to comply with the enrolment procedures of that scheme.

Childcare services providing approved care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Jobs for families childcare package) Act 2017* (refer to *Legislation and standards*) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early

childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to *Definitions*).

Legislation and standards

Relevant legislation and standards include but are not limited to:

- *A New Tax System (Family Assistance) Act 1999*
- *Charter of Human Rights and Responsibilities Act 2006* (Vic)
- *Children, Youth and Families Act 2005* (Vic)
- *Child Wellbeing and Safety Act 2005* (Vic)
- *Disability Discrimination Act 1992* (Cth)
- *Education and Care Services National Law Act 2010*
- *Education and Care Services National Regulations 2011*: Regulations 160, 161, 162, 168, 177, 183
- *Equal Opportunity Act 2010* (Vic)
- *Family Assistance Legislation Amendment (jobs for families) Act 2017*
- *National Quality Standard, Quality Area 6: Collaborative Partnerships with Families and Communities*

4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Acceptable immunisation documentation: documentation as defined by the *Immunisation Enrolment Toolkit for early childhood education and care services* as acceptable evidence that a child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

Approved child care: Approved child care services are services that have Australian Government approved to receive Child Care Subsidy (refer to *Definitions*) on behalf of eligible parents. Approved child care includes centre based day care, including long day care and occasional care, family day care, outside school hours care and in home care

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

Child Care Subsidy (CCS): A Commonwealth Government means tested subsidy to assist eligible families with the cost of child care. Payments are paid directly to approved child care providers. Further information can

be found at: <https://www.education.gov.au/child-care-subsidy-0>

Children with additional needs: Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

Deferral: When a child does not attend in the year when they are eligible for a funded kindergarten place, or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

Eligible child: A child attending an early childhood education and care service as described in the *Immunisation enrolment toolkit for early childhood education and care services* or a child in a kindergarten program who meets the requirements of both *The Kindergarten Guide* and the *Immunisation enrolment toolkit for early childhood education and care services*.

Enrolment application form: A form to apply for a place at the service.

Confidential Enrolment form: A form that collects contact details, and personal and medical information from parents/guardians about their child. The information on this form is placed on the child's enrolment record (see below) and is kept confidential by the service.

Enrolment record: The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including the enrolment form; details of any court orders; and immunisation documentation as specified in the *Immunisation Enrolment Toolkit for early childhood education and care services*. Enrolment records are stored securely in the service due to their confidential nature.

Fee: A charge for a place within a program at the service.

Priority of access: in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in *The Kindergarten Guide* (refer to *Sources*), or if in receipt of the CCS, comply with the Commonwealth Government's policy for allocating places

Eligibility and priority of access criteria

1. Eligibility and priority of access criteria for the funded kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at: www.education.vic.gov.au/about/programs/learningdev/pages/earlystartkinder.aspx
- children who have been granted approval to receive funding for a second year of kindergarten in accordance with *The Kindergarten Guide* available at: www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx
- children who were eligible to attend in the previous year, but:
 - deferred
 - withdrew from the service prior to the April data collection
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to *The Kindergarten Guide*, available at: <http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>)
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs

When demand exceeds availability, the Approved Provider will refer to the priority of access criteria listed below and as outlined in *The Kindergarten Guide* available at:

- After first priority places have been allocated, all other applications will be allocated offers based on the date of receipt of Application form.

2. Eligibility and access criteria for the three-year-old kindergarten program

Your child must turn 3 years of age by the 30th of April in the year of attendance at 3 year old kindergarten.
