

# ENROLMENT AND ORIENTATION

- ensuring access to participation, especially for vulnerable and disadvantaged children
- ensuring early entry applicants (this includes children younger than three years and children younger than four years old on 30 April in the year they will attend kindergarten) are given equitable access to enrolment.
- adhering to DE's priority of access requirements for both three and four-year-old children

### POLICY STATEMENT

## PROCEDURES

The information contained within the procedure is to be used as a guide and modified according to the services context.

### GENERAL ORIENTATION PROCEDURES

The time required for orientation and settling in will vary for each child and their family, therefore it is important to be flexible and individualise orientation for each family.

- Offer families the opportunity to visit the service at different times during the day/session, this allows the child and their family to become familiar with the various routines of the service
- Provide reassurance to the family that they may stay with their child for as long as they choose during orientation and once the child commences
- Provide the family with suggestions for developing and maintaining a routine for saying goodbye to their child
- Reassure the family:
  - they can leave their child initially for a shorter day, gradually increasing the length of time
  - they may call and speak to their child's early childhood teacher or educator(s) at an agreed time
  - the early childhood teacher/educators will keep them informed on how their child is settling in
  - they will be informed about any changes or circumstances which may affect them or their child.
- Further considerations may include but are not limited to:
  - send an email during the day to update the family on their child including a photo of the child (if the child has settled in) (*refer to the information and Communication Technology Policy*). **Note:** For children in out-of-home care, the educator may need to seek permission from Child Protection before taking and distributing photos of the child
  - asking the family how they have settled in and if they have any questions or concerns.
- Refer to *Attachment 2* for the general kindergarten registration and enrolment procedures
- Refer to *Attachment 4* for cancellation of enrolment and non-attendance procedures.

### BACKGROUND AND LEGISLATION

#### BACKGROUND

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (*Regulation 168(2) (k)*).

It is intended by 2022 that all eligible Victorian children (*refer to Definitions*) will have access to two years of kindergarten before commencing school. Where demand is higher than availability, approved providers must adhere to their eligibility and DE's Priority of Access criteria (*refer to Definitions and Attachment 1*) in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in DE's Kindergarten Funding Guide (*refer to Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2010*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Services participating in a central registration and enrolment scheme are required to comply with the registration and/or enrolment procedures of that scheme.

The Central Registration and Enrolment Scheme (CRES), co-designed by DE provides access to families to register for and secure a place for their children in kindergarten. It is a collaborative model that brings together councils, service providers, MCH staff, support services and other stakeholders to support children and their families. In 2020 more than half of all local councils across Victoria operate

a form of central enrolment or central registration scheme. These schemes provide a single point of entry for families, simplifying the kindergarten enrolment process and improving equity of access.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010 and Education and Care Services National Regulations 2011* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with an Australian Immunisation Register (AIR) Immunisation History Statement (*refer to Definitions*).

## DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. approved provider, nominated supervisor, notifiable complaints, serious incidents, duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

**Access to Early Learning (AEL):** a program for a child who is at least three years old on April 30th in the year of enrolment, providing intensive support to eligible families with multiple and complex needs, assisting them to access universal kindergarten programs.

**Australian Immunisation Register (AIR) Immunisation History Statement:** The AIR is a national register administered by Medicare that records all vaccinations given in Australia, including to children. In the case of medical contraindication, an authorised medical practitioner completes and signs a Medical Exemption Form and supplies it to the AIR (previous forms of documentation, for example a letter from a GP or local council, are no longer acceptable).

**Authorised nominee:** (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

**Children/families experiencing vulnerability and/or disadvantage** (in relation to this policy): children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child

experiencing vulnerability include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, substance abuse, or mental health; known to child protection; in statutory out-of-home care; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the Kindergarten Funding Guide)

**Children with additional needs:** Children whose development or physical condition requires specialist support or children who may need additional support due to language, refugee or asylum seeker experience, complex trauma, cultural or economic circumstances (*refer to Inclusion and Equity Policy*) (*refer to Children/families experiencing vulnerability and/or disadvantage Definition*).

**Central Registration and Enrolment Scheme (CRES):** CRES provides a single point for families to apply for multiple kindergarten services within a local government area, helping them secure a place that meets their needs and enabling funded kindergartens to work collaboratively with other services to engage vulnerable and disadvantaged families.

**Deferral:** When a child does not attend in the year when they are eligible for a funded kindergarten place or is officially withdrawn from a service prior to the annual confirmation in April DE considers that this child has not accessed a year of funded kindergarten and is therefore eligible for a DE funded kindergarten place in the following year.

**Early Start Kindergarten (ESK):** Early Start Kindergarten provides eligible children with 15 hours of free or low-cost kindergarten each week led by a qualified Victorian Institute of Teaching (VIT) registered teacher. ESK is available to children who are at least three years old by 30 April in the year they are enrolled to attend the program and are:

- from a refugee or asylum seeker background, or
- Aboriginal and/or Torres Strait Islander, or
- known to child protection.

These children can also access free or low cost year-before-school kindergarten through the ESK Extension Grant regardless of whether they have accessed ESK in the previous year.

**Early Start Kindergarten extension grants:** provides eligible children with 15 hours of free or low cost kindergarten each week led by a qualified VIT registered teacher. The ESK extension grants are available to children attending kindergarten in the year-before-school and are:

- not eligible for the Kindergarten Fee Subsidy
- from a refugee or asylum seeker background, or Aboriginal and/or Torres Strait Islander, or
- known to child protection.
- A child is not required to access ESK in the previous year to access the ESK extension grant.

**Eligible child:** as defined by the Victorian DE Kindergarten Funding Guide:

- a child who is at least four years old on 30 April in the year of attendance; enrolled for at least 15 hours per week or 600 hours per year in a Four-Year-Old Kindergarten; and not enrolled at a funded kindergarten program at another service
- a child who is at least three years old on 30 April in the year of attendance and is enrolled in a funded Three-Year-Old Kindergarten for a minimum of 5 hours per week
- any child that is enrolled in an early childhood and education and care service must have an AIR Immunisation History Statement that indicates that the child is fully vaccinated for their age or who qualifies for the 16-weeks grace period

**Enrolment record:** the collection of documents which contains information on each child as required under the National Regulations (*Regulations 160, 161, 162*) including but not limited to parent details; emergency contacts; authorised nominee; transportation authorisations, details of any court orders; and health information including immunisation status. Enrolment records are stored securely in the service due to their confidential nature.

**Kindergarten registration fee:** a payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service, if applicable. (*Refer to Free Kindergarten Fees policy*)

**Kindergarten registration form:** The process of families providing initial information about their child to confirm their intention to enrol in kindergarten, administered by the CRES Provider (*refer to Definition*) or by the kindergarten service. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten

**Grace period:** allows specific categories of children of families experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement (*refer to Definitions*) or when the statement is assessed as not being up to date. Services complete the grace period eligibility form with families during enrolment and keep a copy with the child's enrolment record. The 16-week grace period starts on the first day of the child's attendance at the service. During the grace period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement (*refer to Definitions*) and to encourage families to access immunisation services.

**Local Government Area (LGA):** a geographic area governed by a local council or shire.

**Priority of access:** in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in the DE Kindergarten Funding Guide (*refer to Attachment 1 and Sources*).

**Registration:** The process of families and carers giving initial information about their child to confirm their intention to enrol in kindergarten, administered by the service provider/EYM/CRES Provider. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten.

**School Readiness Funding:** funding provided by DE for programs and supports that builds the capacity of kindergarten services, educators and families to support children's learning and development outcomes.

**Second year of funded four-year-old kindergarten:** second year eligibility may be considered when a child shows delays in key outcomes of learning and development. An assessment is carried out for each child by an early childhood teacher in Term 4 (the year before the child is to attend school) when a second year is being considered.

## ATTACHMENT 1. ELIGIBILITY AND PRIORITY OF ACCESS CRITERIA FOR A FUNDED KINDERGARTEN THREE OR FOUR-YEAR-OLD KINDERGARTEN PROGRAM

The approved provider must notify all families of the priority of access (PoA) policy that applies when they enrol their child.

In instances where more eligible children apply for a place at a kindergarten service than there are places available, services must:

- prioritise children based on the Department of Education (DE) criteria listed in the table below
- work with other local kindergarten services and the regional DE office to ensure all eligible children have access to a kindergarten place.

These criteria must be used by the approved provider when prioritising enrolments. Guidance is available from the Department's regional offices if required.

Service providers should build flexibility into their enrolment processes that consider the circumstances of families from priority groups.

If participating in a central registration and enrolment scheme, the CRES provider will allocate places in accordance with DE's PoA criteria, and other local criteria if applicable

Services must first apply the DE's PoA criteria, and following this may apply locally developed criteria, as per examples below.

All information relating to PoA criteria should be respectfully collected from families upon enrolment, recorded in the child's confidential enrolment record and entered into the Kindergarten Information Management (KIM) system, where applicable.

### DE's Priority of Access criteria

High priority children	Criteria and processes for verifying need(s)
<b>Children at risk of abuse or neglect, including children in Out-of-Home Care</b>	The child is: <ul style="list-style-type: none"> <li>• eligible for ESK or AEL, and/or</li> <li>• family, carer or legal guardian identifies the child as known to Child Protection or in out-of-home care, and/or</li> <li>• referred by one of the following:               <ul style="list-style-type: none"> <li>• Child Protection</li> <li>• Child and family services (family services referral and support team, Child FIRST/integrated family services/Services Connect case worker)</li> <li>• Maternal and Child Health nurse</li> <li>• out-of-home care provider.</li> </ul> </li> </ul>
<b>Aboriginal and/or Torres Strait Islander children</b>	As part of the enrolment process, service providers must respectfully ask families 'is your child Aboriginal and/or Torres Strait Islander?' and record this information in KIMS
<b>Asylum seeker and refugee children</b>	Child or family holds a visa or supporting documentation and information, including an ImmiCard, identifying the child and/or parents, carers or legal guardians as a refugee or asylum seeker and/or  Referred as a refugee or asylum seeker by a CALD outreach worker.
<b>Children eligible for the Kindergarten Fee Subsidy</b>	A child or parent holds a Commonwealth Health Care Card, Pensioner Concession Card, Veteran's Affairs Card, or  The child is identified on their birth certificate as one of a set of triplets, quadruplets or more.
<b>Children with additional needs, defined as children who:</b> <ul style="list-style-type: none"> <li>• require additional assistance in order to fully participate in the kindergarten program</li> <li>• require a combination of services which are individually planned</li> </ul>	The child: <ul style="list-style-type: none"> <li>• holds a Child Disability Health Care Card, and/or</li> <li>• has previously been approved for Kindergarten Inclusion Support (KIS) program, and/or</li> <li>• has been referred by:               <ul style="list-style-type: none"> <li>• the National Disability Insurance Scheme</li> <li>• Early Childhood Intervention Services</li> <li>• Preschool Field Officer</li> </ul> </li> </ul>

- have an identified specific disability or developmental delay

- Maternal and Child Health nurse, or
- is assessed as having delays in 2 or more areas and is declared eligible for a second year of funded Four-Year-Old Kindergarten.

#### Examples to consider for second priority

- children who turn four years of age by 30 April in the year they will attend kindergarten; or
- children who turn three years of age\* by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET
- children who have a sibling that has previously attended the same kindergarten as their first preference
- home address falls within the same suburb as the kindergarten
- family lives, works, studies or attends child care in [LGA]

#### Examples to consider for third priority

- service for transient families e.g. RAAF, seasonal workers and tourism workers
- date of application
- local community zoning
- full fee paying families

**Note:** DE's PoA guidelines are to ensure that kindergarten programs are available to those children who stand to benefit the most from attending early education. In mixed age groups, PoA guideline will equally prioritise three and four-year-old children that are considered high priority. Where programs for three- and four-year old children are provided separately, the PoA criteria will be applied separately for each age cohort.

#### \* Early Start Kindergarten and Three-Year-Old Kindergarten

During the roll-out of Three-Year-Old Kindergarten, Early Start Kindergarten (ESK) (*refer to Definitions*) will continue to provide 15 hours a week of funded kindergarten for all eligible children up until 2029, when three-year-old children across the state will have access to 15 hours

It is important to continue to enrol eligible children in ESK, even if funded Three-Year-Old Kindergarten is available at the service.

The Kindergarten Funding Guide 2023 states for ESK funding, service providers should:

- provide up to 15 hours in a kindergarten program free of charge and maximise access to 15 hours of kindergarten (children accessing ESK can be enrolled in a 3-year-old group, a 4-year-old group, a mixed age group or a combination of groups in order to access the full 15 hours per week)

This guarantees that children experiencing vulnerability will continue to be enrolled in the full 15 hours of kindergarten in all service settings, including long day care. It also ensures that service providers can continue to receive all funding entitlements.

Service providers are expected to continue to provide the full 15 hours funded through Early Start Kindergarten, even in instances where three-year-old groups are being offered fewer than 15 hours.

ESK is available to children who turn three years of age by 30 April in the year of enrolment and who:

- are Aboriginal and/or Torres Strait Islander
- are known to Child Protection
- have a refugee or asylum seeker background\*

\*Children/families without a current refugee visa or ImmiCard who have a recent refugee experience may be eligible by exception for Early Start Kindergarten, for more information contact your local Department of Education and office.

## ATTACHMENT 3. LETTER FOR PARENTS/GUARDIANS WITHOUT ACCEPTABLE IMMUNISATION DOCUMENTATION

ECKA

[Address]

[Insert date]

Dear [insert name]

Re: Enrolment at ECKA for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at [Service Name] in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided AIR Immunisation History Statement.

AIR Immunisation History Statement includes evidence of immunisations and is used to assess whether your child is fully vaccinated for their age.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, and your child is not eligible for the 16 week grace period, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Immunisation Register: [www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register](http://www.servicesaustralia.gov.au/individuals/services/medicare/australian-immunisation-register)
- Better Health Channel website: [www.betterhealth.vic.gov.au/campaigns/no-jab-no-play](http://www.betterhealth.vic.gov.au/campaigns/no-jab-no-play)

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by an AIR Immunisation History Statement. The new application would be considered in line with ECKA's *Enrolment and Orientation policy*.

Yours sincerely

## KINDERGARTEN PROGRAMS

In 2023 kindergarten programs for three- and four-year-old children will be subsidised by the Victorian government for all families receiving Childcare Subsidy. [The amount of \\$2000 will be applied as a discount to families' childcare invoices over 20 fortnights.](#)

Kindergarten programs will consist of 15 hours of kindergarten per week for both 3yo and 4/5yo children. The kindergarten program for children booked into childcare will run from 8.30am to 4pm during the normal childcare hours of 8am to 5.30pm on specified days. The kindergarten staff will inform parents which days kindergarten programs are running to make sure all children can access the 15 hours. The following table shows how the childcare fees combined with kindergarten programs.

### PROGRAM

**Child is booked for childcare for the full day and attends the 7.5hrs of funded 3yo or 4yo Kindergarten within the childcare session.**

**Child only attends the kindergarten program 8.30 to 4pm on two days (15 hours) and also attends childcare on other days.**

### FEE

**Full day childcare fee is charged. Childcare subsidy and Victorian Government kindergarten subsidy is applied to the invoice and parents pay gap.**  
Eg: Full fee \$110 minus 70% CCS (Estimate \$77) = \$33 minus kindergarten subsidy (\$25) = \$8 parent gap fee to be paid for the day.

**Full day childcare fee is charged each day. Childcare subsidy and Victorian Government kindergarten subsidy is applied to the invoice and parents pay gap.**  
Eg: Full fee for 3 days \$330 minus 70% rebate (Estimate \$231) = \$99 minus kindergarten subsidy (\$50) = \$49 total gap fee for three days.

## BILLING

Families will be emailed their invoice on a fortnightly basis. Families are expected to pay the gap fee shown on the invoice within 14 days of receiving the invoice and not allow fees to fall more than two weeks into arrears. Invoices will show all subsidies you receive, and the weekly gap amount due to be paid. *You will need to assess your ability to pay this gap amount each week for you to take up a place in Childcare.* The invoice will detail the days and times of attendance in childcare, the childcare subsidy paid by the government and any parent payments.

To view our full Fee Policy, please visit the ECKA website and find the 'About' tab and select 'Policies'.

## FEE SUBSIDY ENTITLEMENTS AND CRN

Australian families will need to satisfy the Australian Governments Activity test to be eligible for childcare subsidy. More information about eligibility can be found at:

Centrelink will notify us when your claim is confirmed. We will also require you to sign a Complying Written Arrangement confirming your childcare days and fees.

ECKA may close the service one day per year to allow all educators to attend a professional development day. On this day all ECKA Services will be closed. Families will need to arrange alternative care for their children on this day and will be notified of the day in advance. Families will not be charged for services on this day.

## ABSENTEEISM AND FAMILY HOLIDAYS

periods but wish to hold their child's place at the centre will be expected to pay the regular fees for the place at the centre.

If a child is to be absent for the day, parents are requested to telephone the service as soon as possible to inform educators. If the child is sick, it is important to inform the service of the nature of the illness, symptoms and any diagnosis is helpful in containing the spread of illness. Parents are still expected to pay for these sessions. If you receive the Childcare Subsidy (CCS) you will receive a subsidy for a limited number of days per year.
